

VDSEE Completion Grant

Application requirement and remarks

- The applicant is expected to complete and submit their doctoral thesis within the 4-month funding period of the Completion Grant. The supervisor(s) confirm that the applicant's doctoral thesis has advanced sufficiently to meet this timeline.
- All laboratory and analytical work must be completed before the start of the completion grant.
- Since the successful applicant will be employed at the University of Vienna, they are subject to all associated rights and obligations. They confirm that the conditions of employment are met (e.g., chain contract regulation, requirements of aliens' law, etc.).
- The applicant and supervisor acknowledge that the VDSEE Completion grant covers exclusively the salary. All other expenses are not covered by the Doctoral School.

By signing below, both applicant and supervisor(s) confirm that they have read the information provided above and consent to the application requirements of the VDSEE completion grant.
